Sir,

I have the honor to state that the
right to levy fees on Carts, and
Cattle brought to the weekly markets
at Tanikere as sanctioned by
Government in N.O. 13089-91 dated 17th May 1899 was purchased at an
auction sale by Contractor Syed
Murtaja Sah for Rs 125/- per annum.

2. Since this sale, the levy of
Petrol on dutiable goods has been
introduced into the town by
Government Order N.O. 252-53 dated
16th July 1901

H. J. R

3. On the Score that, to avoid paying this new tax, Cartmen took their Carts a mile or so further on rather than enter the market place, the Contractor put in a prayer for a remission of $\frac{2}{3}$ of the Contract amount.

4. On a reference from me, the Municipal Board of Tarikere inspected the market place and have resolved that the Contractor's prayer is reasonable and have recommended a remission of a third of the rental per mensem.

5. The Assistant Commissioner in Charge of the Taluk also thinks the Contractor deserving of some Concession and recommends the remission of a fourth of the Contract amount amounting to Rs 31/4- per mensem.

6 I am also of the same opinion as the Assistant Commissioner and beg that sanction of Government may be obtained for writing off a fourth part of the Contract amount for the ten months from September 1903 since when, the Abkoi System was introduced. This amounts to Rs 312-8/8 to meet which, a Supplemental budget

Budget will be Submitted on receipt
of Government's sanction to the
above
